

Delivering.....

**Quality
On Time
High Performance Products**

EFCO is pleased to announce the launch of the newest program available from the Springfield Service Center, the Stocklength and Entrances Delivery program. This program will allow delivery of entrance doors, fabricated door framing, and lineals from the Springfield Service Center directly to your shop on a weekly basis (special freight rates apply, see table below). Project eligibility requirements are as follows:

1. Inclusions

- a. Storefront entrance doors, immediate door framing, storefront and curtain wall lineals (any anodic or painted finish available from EFCO)
- b. Maximum order size of \$20,000.00
- c. Project must be ordered directly from the Springfield Service Center
- d. Special freight rates apply (see table below)

2. Exclusions

- a. No windows, break metal, steel, or other products are allowed though this service
- b. Orders over \$20,000.00 (this includes combined orders from one customer)
- c. Lineals over 290" long

Freight Table

Combined Project Size (in \$\$)	Freight
< \$1,500	\$150
\$1,501 - \$5,000	\$300
\$5,001 - \$10,000	\$500
\$10,001 - \$20,000	\$1,000

If your order meets the requirements and you would like to have it shipped to your shop via this service, please note "Route Truck Delivery" on your purchase order.
